Re: Expanded Criteria for Registration/Renewal of Licences

Since November 2016 we have informed and updated you of the Self Contributory Group Health Insurance Plan with the Guardian Group, which was announced on November 8, 2016, by the Minister of National Security, the Honourable Robert Montague. The Plan's first quarter began on **July 1, 2017** and so far over 400 security guards have been enrolled.

We would be grateful if you facilitate payments of the premiums by making salary deductions, then remitting the premiums to the PSRA. The deadlines for the other quarterly remittances are:

- 2nd Quarter – September 15, 2017
- 3rd Quarter – December 15, 2017
- 4th Quarter – March 15, 2018

The Government of Jamaica unanimously supports the position that all security guards should have health insurance coverage. All security companies applying or renewing their licences, **as at October 1, 2017**, must provide proof that security guards contracted by them have health insurance coverage. You are required to indicate on your nominal roll the health insurance plan that each security guard is associated with.

Again, please be advised that, we continue to receive enrolment forms, salary deduction forms and payments for the Guardian Group Health Insurance Plan. Enrolment to the Plan can take place quarterly and the requirement to complete a medical questionnaire has been waived until further notice. We advise that the GCT does not apply to this Self-Contributory Health Insurance Plan for Private Security Guards with Guardian Group Insurance.

For further information on the enrolment process, please visit the PSRA website at www.psra.gov.jm or contact the PSRA on 967-2522-6 or 485-8320.

The PSRA anticipates your continuous support.

Yours truly,
PRIVATE SECURITY REGULATION AUTHORITY
